Dear Festival Partners,

The 2018 Mid-South Barbecue Festival will be better than ever!!

Thirty professional BBQ teams and eight local backyard teams are expected to participate in this year's event. Over 45 KCBS judges from 6 states and 3 countries have already applied and been chosen to judge the competition. With last year's festival attendance over 7000, this year's number is projected to be upwards of 8000.

The Mid-South BBQ Festival provides fundraising opportunities to many other non-profit organizations. Some of these include Family2Family, Mount Pleasant High School Athletic Boosters, The Columbia Cycle Club, and Classics for a Cause Car Club. Again this year, all non-profit organizations will be provided booth spaces at no charge.

Events include the Arrow Lake Foundation 5K, the Scarecrow Century Ride, Classics For a Cause Cruise-In, The Kids Zone, Arts and Craft Vendors, Student Performances, a Children's Costume Contest, and great live entertainment. As always, entry to the Mid-South BBQ Festival is FREE.

We thank you for your past support of the Mid-South Barbecue Festival and ask that you will, again, choose to partner with the Mid-South BBQ Festival in 2018.

Sincerely,

Donna Morency - Co-Chairman
